

UTM
UNIVERSITI TEKNOLOGI MALAYSIA

UTM Razak School of
Engineering and
Advanced Technology

UTM Razak School of Engineering and Advanced Technology and Graduate School of Business Administration (GSBA), Meiji University, Tokyo, Japan are co-organizing the Fifth International Conference on Engineering Business Management (ICEBM) 2016, which will be held from 6 to 7 August 2016 in Kuala Lumpur, Malaysia. The conference aims to provide a forum for academics, researchers and practitioners to exchange ideas and explore recent developments in the field of Engineering, Business and Management. The conference is also expected to foster networking, collaboration and joint effort among the conference participants to advance the theory and practice as well as to identify major trends and latest development in EBM.

Interested individuals are invited to submit research papers and case studies on topics related to the conference theme. All submissions will be peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference, contributions, and readability. Submissions will be chosen based on content merit, interest, applicability, and how well they fit into the theme of the conference.

IMPORTANT DATES

Full Paper Submission Deadline : 29 April 2016

Notification to Author Deadline : 27 May 2016
