The 2018 2nd International Conference on Smart Sensors and Application (ICSSA) will be held in Kuching, Malaysia on 24-26th July 2018. The conference provides dialogue platforms amongst researchers and industrial practitioners in the various subsets topic of sensors and application. In addition, there are many pre and post conference touring options in Kuching such as the river cruise, heritage sites, tropical rainforests and idyllic island resorts. Our first 2015 ICSSA conference is successfully indexed in Scopus, Web of Science and IEEE Xplore. Researchers and authors are invited to submit original high quality technical papers addressing innovative research in the broad field of smart sensors and application. Papers are solicited on, but not limited to;

- Smart Sensors and Transducers
- Data Acquisition Systems and Techniques
- Data Fusion, Fault Diagnosis
- Mems And Nano-Sensor
- Chemical, Biological, Optical, Magnetic Sensors
- Wireless Sensors Measurement Systems
- Instrumentation System
- Process Automation
