COMPLETION OF A 6-MONTH INDUSTRIAL TRAINING OF DR. SYUHaida ISMAIL

This is to certify that Dr. Syuhaida Ismail from Universiti Teknologi Malaysia International Campus (UTM IC), Kuala Lumpur has successfully undergone a 6-month industrial training with IJM Construction Sdn. Bhd. at Grand Hyatt Project, Kuala Lumpur from 15 September 2010 to 14 March 2011. As a C&S Trainee Engineer, she has efficiently performed her responsibility in assisting the C&S Department to coordinate and manage the site work activities, partake in all issues related to works, report issues affecting the work progress to the Project Manager, control the documentation of subcontractors' correspondences and issue of drawings, issue the site instruction to the subcontractors, as well as liaise with the consultants/architects/clerk of work on any discrepancy pertaining work execution at site.

Therefore, I verify and confirm that she has fulfilled the requisite industrial training and experience on site as per requirements by Board of Engineers Malaysia (BEM) Professional Assessment Examination (PAE), Institute of Engineers Malaysia (IEM) Professional Examination (PE) and Universiti Teknologi Malaysia (UTM) Pekeliling Pentadbiran Bil 15/2010 UTM.J.02.03/10.12/(6). On behalf of IJM Construction Sdn. Bhd., we are glad that we have been chosen as the training ground for Dr. Syuhaida Ismail to fulfill the above requirements, thus we look forward to assist the university in providing the industrial training placement in the future in order to create an indivisible and continuous collaboration between the university and the industry.

Thank you.

Yours faithfully
