2015 International Conference on Smart Sensors and Application

ICSSA 2015

It is a great pleasure to invite you to the **2015 International Conference on Smart Sensors and Application (ICSSA)** to be held in Kuala Lumpur Malaysia.

Malaysia is as diverse as its culture, with Malay, Chinese, Indians and other ethnic groups live together in peace and harmony. The mix of people has made Malaysia a gastronomical paradise with many colorful festivals being held throughout the year. The tropical weather with sunshine and warm weather all year through has made Malaysia the perfect place for business and pleasure. Researchers and participants are welcomed to join our conference to share their knowledge as well as enjoying the stay in Malaysia.

Conference Theme:

Researchers and authors are invited to submit original high quality technical papers addressing innovative research in the broad field of smart sensors and application. Papers are solicited on, but not limited to;

- Smart sensors and transducers
- Data Acquisition Systems and Techniques,
- Data Fusion, Fault Diagnosis
- MEMs and Nano-sensor
- Chemical, Biological, Optical, Magnetic Sensors
- Wireless Sensors Measurement Systems,
- Instrumentation System,
